

Funeral Services Held Monday For Lou Baines

(From Our Own Correspondent)

CLIVE—Funeral services were held Monday afternoon, in the Baptist Church here for Mr. L. Baines, who died in the Lacombe and District Community Hospital Saturday morning following an attack of plural pneumonia. Mr. Baines had been working for Walter McCutcheon up to the time of his death. The church was crowded as friends and relatives gathered to pay their last respects. Rev. S. J. Waterman officiated at the services, which were in charge of the Lacombe Funeral Home. Pallbearers were Ted Hayball, Leonard Sage, Linley Fawcett, Robert McCormick, Vince Ripley and S. E. Nelson. Interment was made at the Clive cemetery.

Mr. Baines leaves to mourn his loss four brothers, Ollie of Clive; Roy and Walter of Lacombe and Lee of Hinton, Michigan, besides six nieces and six nephews. The deceased was not married.

Blackfalds

(From Our Own Correspondent)

BLACKFALDS.—School reopened on Monday with a good attendance after the Easter holidays, and the past week saw the return of Mr. and Mrs. Evans and John Farewell to Coronation. Mrs. Evans left her daughter, Celie, behind, and she is expected to attend the local school until the end of the term. Gordon Mathias, who also came home for Easter, returned to his school.

The sale which was held at Cadman's last Friday was quite a success, and some good prices were realized. By the time this appears in print, Mr. and Mrs. Cadman expect to be on their way to Gleichen. The Ladies' Aid presented the departing couple with a set of tea spoons, and Rev. A. L. Carr fittingly mentioned his regret at their departure during last Sunday's services. They will be greatly missed in the church.

The Ladies' Aid met at the home of Mrs. Mathias last Thursday, and Mr. Carr brought along Mrs. Christie of Edmonton, who sang and played very nicely at the piano. At the business meeting, the ladies decided to put on a tea and sale of work some time in June.

To Hold Sale of Work

The Crusaders are also expected to put on a sale of work in the near future.

Two events were put on at the hall last week. The first, a Bridge Drive and Dance last Wednesday night, was poorly attended, with only four tables in play; the successful prize winners were Mrs. Crocker and Paul Hills, while consultations went to Mrs. Bate and Bud Roe. On Friday a dance was held, with a large attendance, and a good time being enjoyed all round.

Mr. Hale was in Edmonton last week to write "Varsity" exams. Mrs. Gladys Olive left last Thursday to join her husband, Ernie, who is employed at the Ponoka hotel.

Bud Parks returned on Sunday from Coronation, where he spent the Easter holidays, and Joyce Moir returned from Edmonton, while Chester Martin went back to Edmonton.

Returning to Calgary

We understand that Mrs. Heenan is returning to Calgary for another medical examination. The village residents endeavored to clean up the village last week by burning up the rubbish lying around. Mrs. Larson was to be seen dashing around with a pair of water and putting out a fire which seemed to be getting a firm hold of the sidewalk outside her house. After seeing her in action, the Council decided that further improvements to the local fire-fighting service were unnecessary.

War Games for British Airmen

This remarkable view of a huge torpedo bomb was taken as airmen, connected with Great Britain's "Blindfold" air fleet, wheeled it into position in the rack underneath a bombing aeroplane during recent manoeuvres near the Isle of Wight. The "Blindfold" forces gave battle to "Redland" battleships and aeroplanes as England's defence machinery was put to a severe test.

Work on Land Expected to Be General by Week-end

Farmers of District Report Ample Soil Moisture; Work About One Week Behind 1937; Expected to Start Early in May

Farmers of the Lacombe district have started work on the land, with all communities reporting ample soil moisture. While the work has not as yet become general, it is expected that all farmers will be on the land by the end of the week. Very little seeding has been done as yet, it is learned, but farmers expect seeding to be general next week with favorable weather.

Work on the whole is about a week behind that of last year, and about three or four days behind normal, various farmers of the district report. The soil is in much better condition than in 1937, with the full rains of last year, together with little run-off in the Spring thaw, all producing plenty of early soil moisture.

A survey by The Lacombe Globe among some of the farmers of the district brought forth these comments:

H. B. Whitecotton, 10 miles northwest of Lacombe—Only a few are out so far, discing and plowing, but work will be general by the end of the week, weather permitting. The land is very wet.

G. G. Dawell, Joffre—Little work has been done here, as yet; no seeding done at all; the soil moisture content is ample for immediate needs.

E. R. Tillotson—Should be seeding early next week; the land is working up fine, and have about 75 acres plowed so far.

Bert McAllister, Blackfalds—Moisture content is good in this immediate district; work has just recently started, being about four or five days behind normal.

H. S. Trame, three miles southeast—Moisture conditions are splendid, and I don't think we have to worry much about the late Spring. Last year we were on the land too early.

Rod Berry, farmer—I don't think there will be much seeding done for a week anyway. Moisture conditions have never been better; the time has been making a good start, and there are the best of prospects for a good hay crop.

Andrew Osterkamp—Started in seeding some wheat Tuesday; the land is in fine shape and I have already seeded 25 acres of Early Supreme Wheat.

E. Walter Simpson, Secretary-Treasurer, M.D. of Crown—It's a nice late Spring and I have never seen a late Spring yet when there wasn't a good crop.

H. E. Heath, farmer, Spruceville district—The land is very sticky as yet, but with some suitable weather, work should be general within a couple of days.

Aces and Flyers Win First Games Of Softball League

Cardinals and Aggies Defeated;
Next Scheduled Game to be
Played Tonight (Thursday)

By JACK McCAUGHERTY

The Lacombe Softball League got away to a good start this week, as the scheduled games were run off on Monday and Tuesday nights. A fair attendance of softball fans turned out each evening to cheer the teams on, with Aces and Flyers celebrating the opening games with victories.

For early season fixtures, a surprisingly good brand of ball was handed out by the four league squads and fair weather greeted the debut of the 1938 cry of "batter up." The teams are rounding into good shape and all indications point to a bigger and better season of softball. The four outfits are well balanced and more evenly matched for this year's campaign. It should be a "nip and tuck" battle all the way.

Tonight, Thursday, at 7:00 p.m., the High School team tangles with the Flyers, and the boys would appreciate your support. A few cheers from you help to make the "old ball game."

HIGH SCHOOL DEFEATED
The High School Cardinals dropped the first game of the new season when they were downed 13-10 by the Aces on Monday. Although the chilly weather helped to pile up the errors, both sides managed to connect for plenty of hits.

The Aces went into the lead in early innings, bunting two singles for two runs. Cards came back strongly and went into a good lead, only to have the town squad close with a fast rally that clinched the victory.

Minkler and Brooks went the full route on the mound with five and three strikeouts respectively to their credit.

Summary: Brooks (Aces), 4 in, 1 time, 1 hit, 3 runs, 3 errors; Minkler (Cards), 3 in, 1 hit, 1 error; Brooks (Aces), 4 in, 1 time, 1 hit, 3 runs, 3 errors; Minkler (Cards), 3 in, 1 hit, 1 error.

Aces—Winter, Clift, Hoppus, Carter, T. Myles, Brooks, Refus, J. Myles, Sharplin

FLYERS WIN, 23-5
Welding the bambino for 18 hits and taking full advantage of passes and errors, the Flyers whitewashed the Experimental Farm Aggies 23-5 in the second game on Tuesday night.

The winners took the lead from the first and never looked back as the Flyers batters held the agricultural batters to eight hits. Although the score was never close, the game had all the thrills of a good contest. Both teams used relief pitchers during the six innings. A McFadden taking over duties for Leggett in the third and Havestock for Frizzell in the fifth. Penman and Lee were credited with circuit clouts, while D. McFadden made the four bases with a two-base hit and an error.

Summary: Strikeouts, Frizzell 5, Havestock 1, Leggett 2, A. McFadden 7. Times at bat: Flyers 13, Aggies 28. Game called at end of sixth owing to darkness.

A New Name—But the Same Progressive Policy

Lacombe and the adjacent district which supports the town and to which Lacombe owes its subsistence is one of the finest communities in Canada. No one will dispute this statement. "The Western Globe" has realized this, even as the residents of the district have appreciated it, and has, in the past, done all within its power to further the interests of the community as a whole.

In keeping with this past policy, the publishers have now changed the name of your newspaper to "The Lacombe Globe"—the same paper, for Lacombe district, first, last and all the time. This change of name was made only after due consideration. The publishers, however, feel that the name "The Western Globe" is itself, conveyed no hint of the town in which it was published. This, the publishers contend, was wrong. The town and its district should benefit by the advertising furthering from the publication of its newspaper. This "The Western Globe" did not do. Thus the change to "The Lacombe Globe."

The policy of the paper will remain the same. No change other than the name has been made or intended, and future weekly publications will continue to bring you a complete coverage of the news of the town and the district, along with the values to be found in the advertisements of both the local stores and nationally advertised products.

Rabbit Smashes Through E. Bruns' Car Windshield

Ed Bruns gets along very well with rabbits so well, indeed, that one jumped through the windshield of his car to get to him. Ed was driving to his father's farm five miles northwest of town, travelling about 35 miles an hour, when a large jack-rabbit crossed the road in front of him and jumped into the windshield.

The glass was smashed, and the rabbit landed on the seat alongside Mr. Bruns, dead. Outside of a dead rabbit beside him, and a broken windshield in front, Mr. Bruns was neither put nor harmed.

Police Court

A further adjournment of the cases of Orville L. Beach and Lennel M. Beach was granted on Tuesday afternoon by Magistrate E. H. Jones. A packed court room heard J. R. McClure, appearing for the defendants, ask the court for adjournment because of the unavoidable absence of one of the key witnesses of the defence. The cases were resumed until Friday, April 29, at 10:30 a.m.

Orville Beach faces three charges, "causing a disturbance in a public place, unlawful assault" and "unlawfully escaping from the custody of a police officer." His brother, L. Beach, faces one charge of "willfully obstructing a police officer in the execution of his duty."

13. Aggies 28. Game called at end of sixth owing to darkness.

Score by Innings: R. H. E. Aggies . . . 001 310-5 8 4 Flyers . . . 302 84-23 18 3 Batteries: Leggett, A. McFadden and D. McFadden; Frizzell, Havestock and E. Todd.

Exchange of Choirs Proves Popular

Of interest generally to United Church congregations in Central Alberta was a three-point exchange of choirs on Sunday evening, April 24, when Stettler choir came to St. Andrew's church in Lacombe, the Lacombe choir visited Ponoka, and Ponoka choir went to Stettler. St. Andrew's congregation greatly enjoyed the service of song provided by the Stettler choir. Their program consisted of two parts, first, Easter music, and second, general anthems. Mrs. Goodwin, Mrs. Brenner, Mr. Haines and Mr. McQuillan were soloists, and in addition to the regular program, Mr. MacQuillan gave two beautiful vocal numbers.

Led by C. L. Willis, organist, the personnel of the choir consisted of:

Soprano:—Mrs. W. Goodwin, Mrs. J. K. Brenner, Mrs. W. Hillier, Mrs. G. Wythe, Mrs. A. Robinson, Miss W. Jenner, Mrs. M. Lee and Miss Cunningham.
Altos:—Miss V. Reynolds, Miss H. Cunningham, Miss M. Purdie, Mrs. W. J. Whitbread.
Tenors:—George Haines, G. Patrick, A. Clarke and N. I. McQuillan.

Bass:—J. L. Dadds, R. M. McKelvey and I. Taylor.

Lunch was served following the service by members of the Ladies' Guild, after which Rev. A. L. Carr, pastor of St. Andrew's, presided by the congregation in hearing the splendid rendition of music and the general value of the exchange of choirs. Mr. Willis, respectfully, thanking Mr. Carr and the Guild ladies for the kind reception accorded his choir.

Local Residents Back Boxers

Residents and business men of Lacombe rallied 'round the local boxers who fought in the Central Alberta Boxing Eliminations held in Ponoka Wednesday of last week. A total of \$19.20 was raised by subscriptions to pay the travelling expenses of the local boys to Ponoka. Mr. Bert Thompson of the Imperial Lumber Co. donated several planks of lumber for the use of the boys, and C. L. Hoppus donated space in his barn for training purposes.

Scotty Davidson and Len Douglas, local boxing enthusiasts, acted as seconds for the boxers. Mr. Glen White gave his time towards collecting funds from residents to get the boys to Ponoka. The boys wish to express special thanks to all those who have kindly aided them in attending the elimination contests.

FOUR LOCAL BOXERS TO FIGHT IN PROVINCIAL BOUTS

Local winners at the boxing eliminations held in Ponoka last week left today (Thursday) for Cardston, where they will take part in the provincial amateur boxing championship bouts to be held there April 29 and 30. Webb Frizzell, Don Jamieson, Gordon Frizzell and Lyle Frizzell made the trip.

Neils Larsen of Bentley District Passes Away

(From Our Own Correspondent)

BENTLEY.—Funeral services were held Sunday afternoon for Mr. Neils Larsen, whose death occurred at the Lacombe and District Community Hospital on April 22. Rev. C. A. Warren officiated at the funeral services, interment being made at the Bentley cemetery.

Mr. Larsen had held an auction sale on Tuesday of the preceding week, and had planned on retiring from active farming because of failing eyesight caused from an injury to his eyes some time ago. The deceased was unmarried and was well respected by all who knew him. He was one of the early pioneers of the Bentley district, having homesteaded about two miles northwest of Bentley in 1899, where he has since resided. He was born in Denmark in 1864, and at the age of 26 travelled to Iowa, where he remained for nine years before coming to Alberta. He leaves one brother, Jens Larsen of Bentley, four nieces and two nephews.

DEVELOPING NEW TYPE OF SPRING WHEAT

Sweden is developing a new type of spring wheat, which is much superior to the varieties which have been grown in the past. She anticipates that the widespread use of this wheat will cut down imports. In recent years the average annual import of wheat into Sweden has been around a million and a half bushels, mostly of high quality Canadian wheat. Present mixing regulations permit only 10 per cent of foreign wheat to be used in the milling of wheat flour.

BLACK SEA SHIPMENTS

It is anticipated that some 30 million bushels of wheat will be shipped from the Black Sea during the Spring. Broomhall calculates that Russia and the Danube Basin will supply 100 million bushels to the export trade during the crop year. Already 60 million bushels have been shipped.

SPRUCVILLE.—I apologize to the apparently many readers of this news column for its non-appearance last week.

This last week, Thursday, to Mr. and Mrs. M. O. H. Walker motored north to Edmonton to do some shopping.

Monday, Mr. and Mrs. Walter Barnes motored south to Calgary to spend a few days.

Mr. and Mrs. Jack Berry and family have moved in on the old Southward farm. Let us hope they will like living in Spruceville as much as the rest of us do.

Mr. and Mrs. Wolferstan of Alis were Sunday visitors at the home of Mr. and Mrs. Heath.

The ladies' meeting held last Wednesday was not as well attended as usual, but the ladies agreed to donate curtains to the hall and point up the stage. The latter is already nearly completed.

Monday, Mr. and Mrs. Heath and family, accompanied by Miss Jean Saunders, motored to Edmonton to attend the film "Snow White and the Seven Dwarfs."

On Friday there will be a play and dance at the hall, put on by the Pleasant Hill Players, the play, "For Peter's Sake," having been very successful at other points.

We hear that William Swanson has a new tractor.

"This," he explained, "is one of the most dangerous explosives of them all. If I am in the slightest degree wrong in my experiment we are liable to be blown through the roof. Kindly come a little closer, so that you may follow me better."

CHRISTIAN SCIENCE

At all Christian Science churches next Sunday, the subject of the Lesson-Sermon will be "Everlasting Punishment." One of the Scriptural quotations in the Lesson-Sermon is Proverbs 15:31, "The ear that heareth the reproof of life abideth among the wise."

One of the correlative passages from "Science and Health with Key to the Scriptures," by Mary Baker Eddy, is "Do you ask wisdom to be merciful and not to punish sin?" Then "ye ask anists." Without punishment, sin would multiply." (p. 10).

FORD gives you something really new in the De Luxe Ford V-8 that made its bow to the motoring world this year. Back of it is a line of more than 26,000,000 Ford cars, honestly built. Ahead of it is a new public appreciation of big size, modern style and brilliant performance in the low-price field. It is the biggest, roomiest Ford V-8 ever built. It is offered in eight body types. And it sets a high standard of economy. Owners are reporting 22 to 27 miles per gallon.

Then there's the Standard Ford V-8—lower in price than the De Luxe. It, too, is a big and handsomely appointed car. The two cars have many features in common—both are built with the same regard for high quality of materials and workmanship. Like the De Luxe, the Standard has the 85-horsepower engine. There are three body types. Both De Luxe and Standard cars have much "extra" equipment at no extra charge. See them at your Ford dealer's. Drive the one you favor.

Tees Tattle Tales

By TATTLER

TEES—Spring has arrived at Tees, for sure. The crocuses are not the only sign. Would you believe it, chicken pox has broken out on some of the school children and that is one of the greatest proofs in history that Spring has turned the corner. The epidemic should not gain much headway as a large percentage of the school children had it a couple of years ago, and the present visit should only catch the tardy ones and younger kids that missed it or have moved into the district since.

Richard Lakeman, who has been more or less under the weather for the past three or four weeks, has now entered the Stettler hospital for treatment. He did wish to try out the new life-saving device in Lacombe but could not wait for the institution to re-open.

S. A. Hauck returned to Altario, Alta., with his stock after spending the winter north of Tees, where feed was much more plentiful than down near his home grounds.

L. V. Carter and his second are brushing up the vote situation for the big re-election campaign to fill the vacancy created by Jack Reynold's resignation.

Complain About Lights
The two Lettich boys returned to Edmonton and John and Pat Armstrong returned to school at Castor on Monday. Mrs. Seal and Grant Van Eaton made business trips to Lacombe via rail. Several others slipped in by car over the wet roads.

Mrs. North of Stettler visited the home of Mrs. Cunningham for a couple of days of last week.

To Hold Baseball Meeting
A meeting of the baseball enthusiasts will be held at 8:30 o'clock on the evening of April 30th to elect a slate of officers and decide if baseball will be played this year.

Dan McMillan, who slipped and hurt himself severely some time ago, is now thinking of throwing away his crutches. His return to physical fitness has been slow but sure.

Mr. Scott spent the week-end at Tees, returning to his school late Sunday evening.

Former Minister Of Morningside District Dies

Funeral services were held on Monday at the Trochu United Church and later at the Bowden United Church for Rev. Henry Young. Mr. Young, who had planned to retire from the active ministry in June, died following a brief illness. He will be remembered by a number of the old-timers of the Lacombe district, being, as he was, minister of the Morningside, Fairview and Milton Presbyteries from 1914 to 1919. Rev. Young is survived by his wife, five daughters and two sons. Funeral services were in charge of the Three Hills Presbytery at Trochu and of the Red Deer Presbytery at Bowden.

ing of the council at Alx recently and complained about the lights and location of them. Now we are to have a light on each street, instead of three on the main drag and none on the residential streets.

So many parties and dances throughout the country over last week-end put a crimp in a dance that was advertised for the Tees Hall. So few turned up that the sponsors gave the money back to the supporters and called the dance off at midnight.

Mr. Snyder of the Cadzow Co. shipped two cars of cattle to Montreal over the week-end.

Mr. and Mrs. O. R. Johnston were Calgary visitors last week. Mr. and Mrs. Albert Thorp are down from Edmonton. They will take up residence here for the summer.

Mrs. C. A. Trimble was hostess to the Bentley Ladies' Hospital Auxiliary on Thursday last. Following the business meeting, lunch was served.

Charles Cummings and sisters Georgia and Myrtle, who are attending school in Calgary, were up for Easter holidays with the home folks.

Mrs. Ida Stephenson visited her daughter, Mrs. J. J. Whitesell of Edmonton, the past two weeks.

Services were conducted at the Vig Lutheran Church in Sonnet district on Sunday last by Rev. Solheim of the Camrose Lutheran College.

Lee Hutton, student at Edmonton Normal School is practicing teaching at Gull Lake School, Miss Sheawan of Camrose Normal at Spring Valley School and Miss Betty Evernden of Calgary Normal at Outlet School.

Mrs. John Hee entertained the Congregational Ladies' Aid of the Sunset district on Saturday afternoon last, with a good number present.

OPEN NEW DEPARTMENT
Of special interest to car owners is the announcement that Ole Bonde and Sons, Red Deer, have added the only Body, Paint and Glass Shop, devoted exclusively to body work, between Calgary and Edmonton. The new department will be under the supervision of George Reed, who is well known to many in Lacombe and district. "Any dents in car fenders or bodies will be quickly repaired, and no job is too large or too small for the new department to handle," so the announcement states.

Westling

(From Our Own Correspondent)

WESTLING—Mr. and Mrs. Don Hartle spent a few days in Edmonton last week.

A very large crowd attended the dance in the Westling Hall on Thursday night.

Mr. and Mrs. Victor Winter and son Cerry returned home on Friday after spending their Easter holidays in Calgary.

A miscellaneous shower was given by friends and neighbors for Mr. and Mrs. Don Hartle in their home on Friday afternoon. Mr. and Mrs. Howard Jeglum motored to Edmonton on Monday.

Mr. and Mrs. A. Strandberg and family motored to Red Deer last Thursday.

Mrs. Arch Billingshurst returned home on Thursday after spending the past month visiting in Vancouver and Victoria.

Mr. and Mrs. Ed. Westling and daughter Maxine motored to Red Deer last Thursday.

Most of the farmers of this district are busy working in the fields now.

Social Credit Board Issues Statement

By T. B. WINDROSS

EDMONTON—The Social Credit Board got all set last week for a heavy year's program of public enlightenment.

Four of the five members of the board assigned themselves definite titles and definite duties, unlike last year's system by which the "experts" brought from London were to do the heavy administration work, while the board members were to do the supervising. Last year's program cost \$50,000, whereas this year's is to cost \$100,000 to the provincial treasury.

G. L. MacLachlan, M.L.A. for Coronation and chairman of the Social Credit Board, now gets the title "Director of Legislation and Technical Work."

Plain, is to be "Director of Information." A druggist by profession, he now takes over the job of supervising the work of two professional writers whom the board hired last year as directors of "Circulation" and of "Information," both of which meant preparation and distribution of pamphlets and Social Credit propaganda for which free publication was sought in newspapers.

A. J. Hooke, M.L.A. for Red Deer, and Floyd M. Baker, M.L.A. for Clover Bar, both were given

the title "Director of Public Relations." Dr. J. L. McPherson, M.L.A. for Vegreville, didn't get any new title except "Member of Board Meetings." But all five members of the board are to get \$8 a day each, in addition to their \$2,000 sessional allowances for every day in which they concur themselves to be working in the service of the board. And the estimates set aside for them will allow them nearly 300 days' pay each, during the present fiscal year.

Aberhart's Lament

Social Credit, Social Credit, . . . Hear it echo o'er the air! Aberhart, the Prophet Premier, let's in everybody's hair.

Sunday's calm is blasted open When before the mikes he stands, Yelling, screaming, ranting, raving. Of the blight that's o'er our land.

"God and I will save Alberta, Manning, too, will help a bit; 'Tis the people's will and mandate, And we'll never want to quit.

"Tho' you're starving amidst plenty, Keep on smiling, never fear: For the members you've elected Get some extra dough this year.

Trust in us and do not falter, And your faith will be repaid, Just send in another dollar— We can't live on lemonade.

Their dividends are lacking, Don't blame us, but blame the King. Let hired experts do your thinking. Or you'll just deplete your ranks.

Thou who slave from morn till evening, And your work is never done, When I've tired I hit Vancouver, Which I think is much more fun.

Once they tried recall proceed, But I queried that pretty quick, And retained two hundred snappers. For a preacher I am sick.

And once, day you'll see the light, But I'm giving you fair warning: I will then be out of sight. —Barney, in the Black Diamond Flare.

Will Brighten Up Homes

MONTREAL. — More painting will be done this Spring in Western Canada than for many years past according to nation-wide reports from construction and building interests, leading decorators and municipal authorities.

"Clean-up week" week movements have also contributed considerably toward influencing the people to brighten up their homes and properties.

Last year's vogue for satin finishes, introduced by Sherwin-Williams with their new Semi-Luxte valuable satin enamel, bids fair to continue. It has figured prominently in the decoration of "House and Garden's" Model Home, "Woman's Home Companion's" Mystery House and other famous model homes.

W. J. Trott is now putting on a special sale of a wide range of Sherwin-Williams paint products, offering a real saving in cash at a time when people are ready to do their painting.
